What I can do for you

B2B website + SEO / GEO
Build, keyword-map and audit sites; spot fatal issues in 30 min

Facebook ads + automated analysis
Lead-form and engagement ads; AI tracks cost per qualified lead

Social content & video
TikTok, YouTube, Facebook: topics, scripts, AI editing

AI buyer prospecting
Find and verify real buyers on Google Maps and social media

Overseas accounts + AI rollout
Set up platform accounts and AI tools; train the team

AI office + CRM / quotation tools
Automate repetitive work; prototype business systems

How I work: **AI does 80%** of the execution; I own the **20%** — diagnosis, fact-checking, approval.

If AI can solve it, I can deliver it.
